Office of State Fire Marshal
State Fire Training

Skill Sheet # 3-3

Candidate: _____ Date: _____

ID#: _____

Skill Sheet 3-3

NFPA Standard 1001, 2013 Edition, JPR#6.3.2

Coordinate an Interior Attack on a Structure fire					
Evaluator Instructions: For this skill evaluation, the candidate shall demonstrate the ability to work as part of a team to coordinate an interior attack, evaluate fire and building conditions, perform a search and report on conditions to the incident commander					
Equipment Needed: Attack lines, personnel, personal protective equipment and tools					
Task: Coordinate an interior attack line for a team's accomplishment of an assignment in a structure fire					
Performance Outcome: The candidate given attack lines, personnel, personal protective equipment, and tools, will be able to coordinate an interior attack line for a team's accomplishment of an assignment at a structure fire, establish crew integrity, select attack techniques for the given level of the fire (e.g., attic, grade level, upper levels, or basement), communicate attack techniques to the attack teams, maintain constant team coordination, continuously evaluate fire growth and development, communicate or manage search, rescue, and ventilation requirements, report hazards to the attack teams, and apprise incident command of changing conditions.					
Candidate Directive: Coordinate an interior attack line for a team's accomplishment of an assignment in a structure fire
